## Charming Arrowtown is a “must-do” when visiting Queenstown.

Arrowtown is a quaint heritage village enveloped by beautiful mountain scenery – only 20 minutes from Queenstown.

It's standout is its famous high street. This is a lovely string of historic buildings, which opens to a tree-lined avenue sheltering one of New Zealand's most photographed sites – a delightful row of nineteenth century miners' cottages.

The pretty town sprang from the 1860s rush for the fabulous Arrow River's gold. Today it is the centre of an equally fabulous network of cycling and walking trails, scenic lookouts, and golf courses.

While Arrowtown is “snapshot heaven,” it is not a gingerbread re-creation. It is a working village, alive with cafes, shops, bars, and people soaking up the feel of a special place.

## A LUCKY START

It was “Maori Jack” Tewa, a shearer, who found gold in the Arrow River in 1862. But – as is the way – a pushier European, William Fox, made bigger waves, and the town started life called “Fox's.” Fifteen hundred miners worked the river below the emerging Buckingham Street township. Many were Chinese, who built a separate village.

As gold ran out, the town became a fading rural backwater. With no pressure to replace the old, it kept its heritage heart, so more than 70 historic sites remain. Its resurgence as a holiday place began in the 1950s, and luckily the importance of the town's picturesque old buildings was understood.

# A Four Hour Short Visit – Your "Must do's"

© Destination Queenstown

## The "must do's" for a short four hour visit to Arrowtown are:

- 1 **The Heritage town centre**
- 2 **The Museum**
- 3 **The Arrow River Walk (short)**
- 4 **The Chinese Village**
- 5 **And... fit in something else.**  
Gold Panning? Cycling? Another coffee?

But - if you have a little more time, you may enjoy the pleasure of staying in Arrowtown itself. Many do. Consider it.

## 1 HERITAGE TOWN CENTRE WALK (MUST DO)

Buckingham Street is memorable. Here you can browse, relax, have a coffee - in fact, just mess about, enjoying its quirky charm.

We suggest you walk the red dotted loop circuit shown on the town map (pg 20-21) from Buckingham Street round to Ramshaw Lane.

Buckingham Street is in two parts. A narrow street of old-time commercial buildings starts at Berkshire Street, and widens to the gorgeous tree lined avenue, planted in 1867, which shelters a row of quaint miners' cottages.

There are intriguing shops and cafes - none from an international chain. Check down the alleys too. When you reach the weatherboard Postmaster's Cottage, cross the street, and continue under the trees past the miners' cottages.

Turn left down Merioneth Street, and left again along the Roman's Lane walk, which returns you to Ramshaw Lane's bars and cafes. To complete the circuit walk down to the Chinese Settlement (TOWN MAP A).

## THE HISTORIC BUILDINGS.

Buckingham Street is a beautiful heritage streetscape. Among the buildings on your inner town walk are:

The old Butcher's Shop, now a Real Estate office (1872) (TOWN MAP 42), the early days General Store became our Pharmacy (started 1862) (TOWN MAP B). The Stables, today a restaurant, were built in 1863 for Bendix Hallenstein, the clothing legend (TOWN MAP C).

Also the New Orleans Hotel (rambunctious 1866, originally) (TOWN MAP D), the Museum which was an 1875 BNZ bank collecting gold (TOWN MAP 1), the still working Post Office (1915) (TOWN MAP E), and The Postmaster's Cottage (1907) (TOWN MAP 2). Amongst other originals are the Athenaeum Hall (TOWN MAP F), and the buildings housing Terra Mia (TOWN MAP G), the Jade Factory (TOWN MAP 17), The Gold Nugget (TOWN MAP P), and the Night and Day (TOWN MAP H).

Perhaps most memorable is the charming string of miners' cottages – from 53 to 65 Buckingham St (TOWN MAP I).

Not on this loop, but nearby in St Patrick's church grounds, is Mary McKillop's cottage, from where Australasia's only Saint taught Arrowtown's children in 1897 (TOWN MAP J). The 1887 Masonic Hall (TOWN MAP K) is beside the library. Dudley's Cottage (TOWN MAP 36), built from 1878, is by the Chinese Village.

Other streets near the village centre contain churches, and old cottages with pretty gardens, many showing heritage roses – there's a map at the Museum.

## CAFÉS & BARS.

Nobody visits Arrowtown without sitting down to soak up the atmosphere, while enjoying a drink or a meal.

There are around 20 cafes and bars competing to better each other with their food and atmosphere. Cuisines include modern Euro, Italian, Asian, Indian, Pub, French, Japanese, and Thai.

Both serious foodies and pie shop patrons can go home smiling.

## SHOPPING.

Buckingham Street is not simply New Zealand's most charming high street – its shopping is also very good. The clothing stores cover a range, but there's probably no better strip in the country to browse knitwear.

Another feature is jewellery. Gold is, of course, a specialty, with large nuggets on display. Don't miss the jade factory shop, even if just to stare slack-jawed at some of its astonishing collector pieces. You'll also enjoy gift and knick-knack shops, and specialty sweet and chocolate shops.

**SHOPPING TIP:** Arrowtown isn't pushy. If you have time, get inside the shops and poke around. You won't feel hassled.

## 2 THE MUSEUM & INFORMATION CENTRE (MUST DO)

The Lakes District Museum (**TOWN MAP 1**) is regarded as one of New Zealand's best small museums. It is also Arrowtown's information centre, and your starting point for maps, bookings, and other help.

Don't miss the excellent downstairs exhibition of life in a goldrush town. It will surprise you. Children love it.

The bookshop's range on New Zealand travel, culture, and history is particularly good - you'll find something worth taking home. Watch for special exhibitions.

## 3 A NATURE WALK BY THE ARROW RIVER (MUST DO)

### 20 OR 60 MINUTE CHOICE.

Don't leave Arrowtown without breathing its lovely surrounds. We suggest you enjoy at least part of the Arrow River walk which starts from town. Go down to the river bank, and turn right onto an easy flat track, called the Arrowtown Anniversary Walk.

Shaded by lovely Sycamore, Willow, and Larch trees, you'll stroll past old gold digging sites and a Lord of the Rings location.

Two choices - do the full river loop crossing the bridge. (60 minutes). Or just enjoy walking out into nature for 10 minutes, then turning to take in the totally different views as you walk back.

## 4 THE CHINESE SETTLEMENT (MUST DO)

Most 19th century Chinese miners were poorly welcomed expats hoping to return home with fortunes. They built their separate settlement by the river (**TOWN MAP A**), including - to the chagrin of European shopkeepers - their own stores.

Relationships weren't always distant. In 1885 *The Tuapeka Times* reported: "Even Europeans, and we believe females at that, were to be seen playing "fan-tan," while...the Chinese stores have been the scenes of indescribable vice." It wasn't dreary.

The Settlement you see today is both restored and recreated.

## 5 MORE "SHORT VISIT" FUN (MUST DO)

Some other memories to take home--

Try gold panning. Several places will rent the gold pan and show you how. Or - hire a bike and ride an easy trail from the township. Or - drive down the Millbrook Resort's avenue of trees, enjoy its beauty, and know why it wins so many awards. Walk up Soldiers Hill ([STREET MAP L](#)) for the best town view.

And always - sit back for another coffee, and simply enjoy Arrowtown passing by.

### CHILDREN LIKE ARROWTOWN.

Children enjoy Arrowtown. There are parks and greens, they'll try gold panning, and maybe the Skatepark ([TOWN MAP M](#)). In summer there's a good swimming pool ([TOWN MAP N](#)) as well as a paddle in the river. Dorothy Brown's cinema has matinees ([TOWN MAP 33](#)), and they'll be fascinated by the gold town display at the Museum. There are good icecreameries, a chocolatier, and the children, like yourselves, will stand bug-eyed in the sweet shop.

### SKI-TOWN ARROWTOWN.

During the snow season Arrowtown is the chosen winter training home for several European and American ski teams. They stay in Arrowtown for the same reasons family ski groups do. It is handy to both the Queenstown and Wanaka fields, and while quieter, has a good choice of bars and restaurants.

### ARROWTOWN AT NIGHT.

Arrowtown is a fun night out. The restaurants are buzzing with both locals and visitors, as are pubs and classy bars.

Dorothy Brown's ([TOWN MAP 33](#)) is loved by locals and visitors - it is a beautiful boutique cinema, where you'll enjoy the intimate setting, a glass of wine, and a cheeseplate.

## Bus to Arrowtown

Orbus runs a frequent service between Queenstown, Arrowtown, and Frankton. The latest timetable is at [www.orc.govt.nz](http://www.orc.govt.nz) or telephone 0800 ORBUSQT (672877).

## Lakes District Museum

"This is one of the best museums that we have visited in our travels throughout more than 30 countries."

One of the best small museums in New Zealand. Set in the former gold mining town of Arrowtown, it presents an authentic picture of early Maori, European settlement and the exciting goldrush era of the 1860's.

Set in 3 original buildings. Hands on. Children love it!

## GOLF CENTRAL – THREE GREAT COURSES

Arrowtown has outstanding golf. Within three minutes of Buckingham Street are three golf courses with wow-factor scenery. The famous Millbrook Resort (03 441 7000) has a beautiful 27 hole layout. It shares tournament play with its classy neighbour, The Hills, (03 409 8290), the New Zealand Open's spectacular home. The Arrowtown Golf Club (03 442 1719) is also a treasure. Its 18 holes wind trickily along an old glacier floor – a relaxed country course that, nonetheless, is rated in NZ's top 20.

## CYCLING HEAVEN

Cycle trails, mountain biking, road cycling – Arrowtown, with its inspiring rides, is a cycling mecca.

The village sits at the heart of New Zealand's most popular trail – the 100 km Queenstown Bike Trail. One of its very best stretches is beginner friendly – the easy Arrow Bridges Trail, which starts from town and runs 16km down the river to the Gibbston wineries and restaurants.

Try it. Arrowtown's bike hire people will fit you out, give you good advice, and tell you about guided tours too (TOWN MAP 41, 43).

## BEAUTIFUL WALKING TRAILS

Arrowtown's walking trails are famous. The village has fifteen listed walks that take in mountains, forests, lakes, and rivers, and range from an easy one hour stroll to several days outdoors.

Amongst the best know is the Motatapu, which includes the route for the famed Motatapu back country marathon.

Walking and cycling maps are available at the Museum.

## PINOT WINE TRAIL

Some of New Zealand's finest pinot noir comes from our nearby Gibbston Valley wineries. Riedel, the famed glass maker, recently created a specially shaped pinot glass to showcase its quality.

The “cellar doors” are welcoming, and there are charming winery restaurants at Amisfield, Waitiri Creek and Gibbston Valley.

## BACK COUNTRY 4WD

If you'd rather be driven, guided 4WD adventures explore remote spots like the abandoned gold village of Macetown. Or drive yourself, if you're experienced with the right vehicle.

## Arrowtown Golf Club

A charming country club, just minutes from town, offers a challenge to every level of golfer. Although not long “Narrowtown” provides a unique golfing test, with breathtaking views of the mountains from every hole.

A spectacular day will be had, no matter the score. Club hire, Motorised carts and trundlers available to hire.
